

## Shuttle Bus & Relay Exchange Parking Information for Relay Participants

### Shuttle Bus Schedule

Shuttle Buses will be available to take you to the relay exchange points and to pick up Relay runners and return them to Frontier Field. We ask that all runners are patient in terms of waiting for the shuttle buses to return you to Frontier Field. The course must be navigated as safely as possible, so your patience will be greatly appreciated. Shuttle buses are only for participants that are wearing their race numbers. No spectators will be allowed on the buses that are designated for the Relay. However, spectators will be allowed on the shuttle buses that are bringing participants to the Starting Line. Every relay point will have water and porta-potties.

#### If you are running Leg 1 of the Marathon Relay:

You will be starting at the Start Line on Maplewood Drive. The relay begins at 7:30 am along with the full & half marathon. There will be shuttle buses to the Start Line from Frontier Field for all participants. Shuttle buses to the Start Line will begin at 5:00 am and continue until 7:15 am. You can meet these buses on the corner of Verona Street and Morrie Silver Way (Platt St).

You will finish your leg at the O'Rorke Bridge. You may arrange your own transportation or you may take one of the following shuttle buses back to Frontier Field:

**Parking at Relay Exchange Points**

The two Relay exchange points are the O'Rorke Bridge and Maplewood Drive (by the Start Line). If Relay participants prefer to drive to their exchange or get dropped off, there is parking available at both locations. Please see below:

**O'Rorke Bridge**

The Relay area can be accessed from Marina Drive (off Pattonwood). Drive to the end of Marina and instead of turning left and going under the bridge, turn to the right and use the parking lot of Voyager Boat Sales. There will be no parking allowed under the bridge or by the docks. Volunteers will be there to assist you with where it is safe to park.

**Maplewood Drive (same spot as the Start line)**

There will be no parking at the Start Line area (Maplewood Dr). However, there will be parking available in a Kodak Parking Lot, located on Maplewood Drive, between Kheel Street & Hanford Landing. This is approximately 3/4 of a mile from the Relay Exchange Point. This lot will be open to participants, spectators & volunteers and there is no charge to park here. For this Relay spot, we highly encourage you to park at Frontier Field and take a shuttle bus to Maplewood Drive.
